- Monitoring absence and supporting students and families to improve attendance.
- Identifying and recording any additional interventions put in place for those in receipt of Pupil Premium and analysing the impact of these interventions.
- Recording and analysing positive and negative incidents for those in receipt of Pupil Premium and comparing them to the rest of the school.
- Monitoring attendance of parents/carers of those in receipt of Pupil Premium at Annual Review meetings.
- Reporting all racist/homophobic/bullying/serious incidents and exclusion data to Governors every term and identifying whether any disproportionately involve those in receipt of Pupil Premium either as perpetrators or victims
- Tracking the success of transition from Year 11 to Post-16 education for those in receipt of Pupil Premium.

The overall aim of the plan is to:

1. Improve attendance through honest, open and regular communication between the school and families.
2. Accelerate achievement for students throughout the school, with some exceeding expectations via the provision of better resources and an improved support system.
3. Improve standards of behaviour and educational and emotional wellbeing within the school.
