

25th March 2021

Dear Parent/Carer

Thank you for your support this half term. It has been lovely to see all the students return.

A few things I want to make you aware of in terms of procedures over the Easter break.

The last school day is Wednesday 31st March, the students will be finishing at 12:30pm. We start the new term with Families Day on Wednesday 21st April. Skills coaches will be in touch shortly to make appointments. It would be lovely to see you attend in person so we can begin our journey to the new normal.

Please continue to test the students twice a week during the Easter break. Students will be given additional tests for this. Households should get their home testing kits from: <https://find-covid-19-rapid-test-sites.maps.test-and-trace.nhs.uk/findatestcenter.html>

The government has asked some staff to work over Easter to support Track and Trace. Please use the following guidance and contact the school ASAP over the break to report under the following circumstance:

- If a COVID home test AND the PCR test is positive AND the symptoms first developed in school or from 1st April up till midnight on 6th April
- After this point, please contact NHS for contact tracing

I want to end by wishing you a lovely break and I look forward to meeting you on the 21st April.

Yours sincerely,

Mrs K Izard
Principal
